Dear Mr Mpuhlu

APPLICATION FOR MEMBERSHIP

We have pleasure in informing you that your firm, MBSA Consulting, (Membership No.963), has been elected as a Member of Consulting Engineers South Africa with effect from 28 August 2012.

Your Membership Certificate will be sent to you in due course. Enclosed is an A4 copy of the Certificate, which will reflect your membership number, to enable you to present it to clients as proof of your membership with CESA, should the need arise.

In this readily changing procurement environment you will find that client liaison through our local and national liaison committees are one of the best ways of supporting and growing your business. You are therefore encouraged to attend the meetings of your local CESA branch. The Branch Chairman of your area will be advised of your membership and will be contacting you shortly. His contact details are on our website at www.cesa.co.za. Meetings are held to discuss local issues in particular and to keep members abreast of current matters. Notices of future meetings will be sent to you by the Branch Chairman.

You are also strongly encouraged to obtain a password for our website by contacting me on the number below to ensure that you have access to all the benefits of being a member of CESA. The website incorporates information on benefits of membership which covers a wide range of issues such as Industry Surveys, PI Cover, Contractual Affairs and the Built Environment Professions Export Council (BEPEC).

We officially welcome you to the CESA organisation and trust that you will take full advantage of the benefits offered to you.

Kind regards
Yours sincerely
